

April 5, 1978

LB 407A, 952

to handle this but the A bill was made up when we thought it was to be effective 1978 and it would have to go into the 1979 budget, 78-79 budget but now it is not effective until January, 1979. It would not appear until the 79-80 budget. Senator Warner doesn't believe that we need the A bill at this time. Mr. President, may I hold the A bill over one day until I make sure there is no administration cost?

PRESIDENT: Sure. That completes Item 10 of the agenda. Do you have something, an amendment to the agenda, Mr. Clerk?

CLERK: Mr. President, Senator Richard Lewis moves to return LB 952 to Select File for specific amendment.

SENATOR R. LEWIS: Mr. President, members of the Legislature, as you all know that LB 952 is an appropriation bill and in this amendment is an issue that we brought up today in the Executive Board meeting and received unanimous support to put this item on and to reappropriate from the unexpended funds that will be left this fiscal year, to reappropriate that in this appropriation bill for use for some specific projects by the Legislative Council and these monies will be assigned to Dr. Rodgers' research budget. I would hope that you would give us a vote to return this bill to Select File for a specific amendment that I have just mentioned here.

PRESIDENT: Any further discussion? The question is, shall this bill be returned for the specific amendment? Record.

CLERK: 31 ayes, 0 nays on the motion to return, Mr. President.

PRESIDENT: The bill is returned, Senator Lewis. Yes, Senator.

SENATOR R. LEWIS: As I previously explained, there will be we think, it is an estimate, we think there might be as much as \$130,000 unexpended in the Legislative Council's budget at the end of this fiscal year, and because of some specific projects that we would like to continue, we would like to have \$75,000 of this, a sum not to exceed \$75,000, as the amendment reads, to be reappropriated on this appropriation bill. I would move support of the amendment.

PRESIDENT: Record your vote. Record.

CLERK: 28 ayes, 0 nays on the adoption of Senator Marvel's amendment, Mr. President.

PRESIDENT: It is adopted. Senator Lewis.

SENATOR R. LEWIS: I would move it be readvanced to F & P Final.

PRESIDENT: All in favor say aye, contrary say nay. It is advanced.
